Re: Executive Committee Meeting Cancellation

Larkspur:

Jean Bonander

After consulting with your Chair, Debbie Stutsman, it was determined that we should cancel the July 23, 2008 Executive Committee Meeting to allow further evaluation of zero waste proposals. Once progress is made in reaching a focused zero waste proposal staff will be in contact with Executive Committee members to reschedule the meeting.

The three respondents to the Zero Waste Request for Information were interviewed on June 12, 2008 by a panel consisting of Michael Rock, Ken Nordhoff and two JPA staff members. The interview panel selected R3 Consulting Group as the preferred vendor of choice, but held final decision until a satisfactory proposal is received. Currently, staff is evaluating a draft proposal from R3 and negotiating a focused product for JPA Board consideration.
