

CHRISTMAS TREE RECYCLING 2017 - 2018

CURBSIDE COLLECTION

Remove all trim, ornaments, lights, tinsel and tree stands.

Marin Sanitary Service:

Larkspur, Greenbrae, Kentfield, Las Gallinas Valley, Ross, San Anselmo, San Rafael, Fairfax and Ross Valley (Sleepy Hollow and Oak Manor); trees will be collected at the curb on your regular yard waste pickup day from January 2nd through January 12th. If trees are greater than 6 feet in length, please cut them in half. Remove all metal stands, plastic tree bags, and ornaments. Flocked trees will not be accepted. Residential customers are encouraged to set trees out on their regular service day beginning January 2nd until January 15th. After this date, trees will not be collected curbside but can be dropped off at the Marin Resource Recovery Center.

Mill Valley Refuse:

Almonte, Alto, Belvedere, Corte Madera, Mill Valley, Homestead, Strawberry & Tiburon put trees out on the curb on any regular green-waste collection day, starting the week after Christmas. Trees taller than 5 feet in length must be cut in half. Remove metal stands (wooden stands are OK) and all tinsel and ornaments. Flocked trees will not be accepted. All apartment building tenants should contact their manager. They will set up one day for all Christmas tree collection.

Novato Disposal:

During the week of January 2nd – January 6th customers may place Christmas trees that are cut in half at the curb the night before their regular collection day. Additionally, trees may be cut to fit inside your yard waste container for collection on your regular service day. Lids must be able to close. Remove all lights, tinsel, ornaments and stands. Flocked trees will not be collected.

Redwood Empire Disposal:

Bolinas, Forrest Knolls, Inverness, Marshall, Muir Beach, Nicasio, Olema, Point Reyes Station, San Geronimo, Stinson Beach, West Marin and Woodacre need to cut trees to fit inside your yard waste container. Lids must be able to close. Remove all lights, tinsel ornaments and stands. Flocked trees will not be collected.

Bay Cities Refuse:

Bay Cities Refuse customers in Sausalito and Marin City can place trees at the curb or in the green cart on your weekly green-waste pick up day. A debris box will be set out at MLK property until mid-January for tree drop off. No metal stands or flocked trees accepted and remove all ornaments.

Tamalpais CSD:

Curbside pickup week of January 8th, \$30 charge for pickup before January 8th or after January 12th, residents can also bring their trees down to the Community Center parking lot before January 14th. Please make sure to remove all tree stands (wood, metal, or plastic), tinsel, ornaments, etc. Trees can also be cut into pieces no longer than 2 feet long and placed in your green cart. The lid must be closed completely. Flocked trees will not be accepted.
