(*Note: To enhance accessibility of PDFs, switch to high-contrast colors, as needed, when viewing.*)

Notice of the proposed regulations was published in the California Regulatory Notice Register by the Office of Administrative Law (OAL) on January 26, 2018. The notice began the formal 45-day public comment period of the rulemaking process. The public notice may be viewed [HERE](#).

## Covered Electronic Waste Stakeholder Workshop: Net Cost Report Cycle and Recovery and Recycling Payment Rates Considerations

---

### Event Information

**Start Date:** April 17, 2018 1:00PM

**End Date:** April 17, 2018 4:00PM

**Location:** Cal/EPA Building, Sierra Hearing Room, 2nd floor, 1001 I Street, Sacramento, CA 95814

**Contact(s):** Ana-Maria.Stoian-Chu@CalRecycle.ca.gov

### Summary

**Description:** The purpose of this workshop will be to present and discuss a preliminary evaluation of the recent Net Cost Report cycle covering the 2017 operational year and initial consideration of impacts to the recovery and recycling payment rates, including a differential recycling payment rate for non-CRT CEW. Every two years, as required by Public Resources Code sections 42477 and 42478, CalRecycle must review and consider the adequacy of covered electronic waste (CEW) recovery and recycling payments rates. The rates established by CalRecycle are intended to be sufficient to cover the average net costs of collecting and processing CEW. CalRecycle uses historical cost information reported by CEW program participants, such as net cost reports, as well as other inputs to determine what the rates should be. CalRecycle must establish any rate changes by July 1, 2018.

Larkspur Re: Proposed LTF Recommendation to JPA Board to Update the LTF  
Policies and Procedures to Include an Attendance Policy

Mill Valley

Novato Per direction from the LTF, the following attendance log is maintained  
and published in each LTF agenda.

Ross

San Anselmo At your August 2017 meeting, the LTF asked Staff to research and  
develop a draft policy addressing attendance and membership on the  
LTF for consideration by the JPA Board. Staff provided a draft policy at  
your October meeting and the group asked that that draft be agendized  
as an Action Item at the December meeting. There was no quorum at  
the December or February meetings. Also, per the LTF, Staff solicited  
the LTF membership for any alternative language to be considered, and  
none was tendered.

San Rafael

Sausalito

Tiburon

The attached draft attendance policy (contained in Section 6 of the attached "LTF Procedures" document) provides for the opportunity for most, but not all, of the current members who could be impacted by such a policy to ensure continued membership. As previously noted, Staff has no desire to "cherry pick" LTF members – on or off the LTF – and so any such policy and attendance requirement thresholds are up to the LTF to develop itself for recommendation to the JPA Board.

One change to the proposed policy from the prior version is the addition of the last sentence in Section 2 related to reducing Terms from lifetime appointments to three years.

### **Recommendation**

Adopt a Motion to submit an updated "LTF Procedures" document with a proposed attendance policy for consideration by the JPA Board of Directors at their next meeting.

Attachment:

1. Updated LTF Procedures Document with New Attendance Section 6 and Slightly Edited Section's 2 and 3.

2. Other duties as requested by Local Task Force membership

#### SECTION 6 – ATTENDANCE

To effectively carry out its role as an advisory body to the JPA Board it is necessary for the LTF to have consistent participation from the various stakeholder categories that comprise the LTF membership. Accordingly, to make LTF seats available to the stakeholder community – when an LTF member is unable to participate in less than 50% of the most recent ten meetings, for whatever reason, that member shall vacate that seat and the JPA shall publicize the availability of the seat, for the seats it oversees (or notify the public appointing agency of the opportunity to appoint a new member for the five public agency appointed seats). Members who leave the LTF for any reason are free to reapply for a seat. This Section 6 becomes effective six months after adoption by the JPA Board.

**Mill Valley**                    The AB 939 Local Task Force (LTF) meets on the first Wednesday of a month from 8:30 a.m. to 10:00 a.m. The schedule of which particular months the group meets needs to be determined.  
**Novato**

**Ross**                              The JPA Board of Directors/Executive Committee typically meets four times per year with additional subcommittee meetings.  
**San Anselmo**

**San Rafael**                    For reference, the Sonoma and Santa Clara LTFs meet six times per year, Solano five, Napa four, and Alameda, San Francisco and San Mateo only on an as-needed basis. Staff would like to point out that a meeting in May can be useful for the LTF to consider the JPA Board/Executive Committees thoughts on the proposed FY 18/19 budget. # MARIN COUNTY HAZARDOUS AND SOLID WASTE MANAGEMENT JOINT POWERS AUTHORITY

**County of Marin**        From: Steve Devine, Program Manager

**Fairfax**                    Re:    Establish 2018 LTF Subcommittees

**Larkspur**

**Mill Valley**

In recent years, the LTF has utilized subcommittees to focus on particular issues and increase overall LTF effectiveness.

**Novato**

**Ross**

**San Anselmo**

**San Rafael**

**Sausalito**

**Tiburon**

An example of one successful subcommittee was the Extended Producer Responsibility (EPR) subcommittee that supported a recommendation to the JPA Board of Directors (that was adopted by the Board) to provide additional funding for a “sharps and pharmaceuticals” program operated by the County. The support for the proper handling of pharmaceuticals was in place while a more comprehensive industry sponsored EPR program was developed via RxSafe Marin. Another example is the Construction and Demolition (C&D) subcommittee that supported adoption of a Model Ordinance (that was adopted by the JPA Board) that could be used by the member Cities, Towns and County.

Staff recommends that the LTF consider adopting no more than two subcommittees – to provide focus and hopefully be able to build off of success. Staff also recommends the LTF appoint a Chair for each subcommittee to facilitate better conduct of the meetings.

The LTF can select whatever topics it may like for subcommittees – but Staff suggests that good utility could come from:

1. Continuing the good work of the Organics Subcommittee.
2. A very focused Subcommittee on one select issue with a goal of making an actionable recommendation to the JPA Board.

### **Recommendation**

Adopt a Motion to establish one or more subcommittees, appoint Members to those subcommittees and appoint a Chair for each subcommittee. LTF Membership in any one subcommittee cannot exceed a quorum of the overall group to comply with the Brown Act.
