AB 901 Rulemaking

As part of its responsibilities to implement the Recycling and Disposal Reporting System (AB 901, and also legislation, AB 1103), CalRecycle must undertake the rulemaking process. The proposed regulations for recycling and disposal facility reporting (see attached) aim to streamline and improve how organics, recyclable material, and solid waste are reported to and tracked by CalRecycle to better assist our various stakeholders and the public at large. (Note: To enhance accessibility of PDFs, switch to high-contrast colors, as needed, when viewing.)

Notice of the proposed regulations was published in the California Regulatory Notice Register by the Office of Administrative Law (OAL) on January 26, 2018. The notice began the formal 45-day public comment period of the rulemaking process. The public notice may be viewed HERE.

During this 45-day comment process, written comment may be sent by mail, fax, or email to:

**Summary**

**Description:** The purpose of this workshop will be to present and discuss a preliminary evaluation of the recent Net Cost Report cycle covering the 2017 operational year and initial consideration of impacts to the recovery and recycling payment rates, including a differential recycling payment rate for non-CRT CEW. Every two years, as required by Public Resources Code sections 42477 and 42478, CalRecycle must review and consider the adequacy of covered electronic waste (CEW) recovery and recycling payments rates. The rates established by CalRecycle are intended to be sufficient to cover the average net costs of collecting and processing CEW. CalRecycle uses historical cost information reported by CEW program participants, such as net cost reports, as well as other inputs to determine what the rates should be. CalRecycle must establish any rate changes by July 1, 2018.

Re: Proposed LTF Recommendation to JPA Board to Update the LTF Policies and Procedures to Include an Attendance Policy

Per direction from the LTF, the following attendance log is maintained and published in each LTF agenda.

At your August 2017 meeting, the LTF asked Staff to research and develop a draft policy addressing attendance and membership on the LTF for consideration by the JPA Board. Staff provided a draft policy at your October meeting and the group asked that that draft be agendized as an Action Item at the December meeting. There was no quorum at the December or February meetings. Also, per the LTF, Staff solicited the LTF membership for any alternative language to be considered, and none was tendered.

The attached draft attendance policy (contained in Section 6 of the attached “LTF Procedures” document) provides for the opportunity for most, but not all, of the current members who could be impacted by such a policy to ensure continued membership. As previously noted, Staff has no desire to “cherry pick” LTF members – on or off the LTF – and so any such policy and attendance requirement thresholds are up to the LTF to develop itself for recommendation to the JPA Board.

One change to the proposed policy from the prior version is the addition of the last sentence in Section 2 related to reducing Terms from lifetime appointments to three years.

**Recommendation**

Adopt a Motion to submit an updated “LTF Procedures” document with a proposed attendance policy for consideration by the JPA Board of Directors at their next meeting.

SECTION 6 – ATTENDANCE

To effectively carry out its role as an advisory body to the JPA Board it is necessary for the LTF to have consistent participation from the various stakeholder categories that comprise the LTF membership. Accordingly, to make LTF seats available to the stakeholder community – when an LTF member is unable to participate in less than 50% of the most recent ten meetings, for whatever reason, that member shall vacate that seat and the JPA shall publicize the availability of the seat, for the seats it oversees (or notify the public appointing agency of the opportunity to appoint a new member for the five public agency appointed seats). Members who leave the LTF for any reason are free to reapply for a seat. This Section 6 becomes effective six months after adoption by the JPA Board.

Re: Establish 2018 LTF Meeting Schedule

The AB 939 Local Task Force (LTF) meets on the first Wednesday of a month from 8:30 a.m. to 10:00 a.m. The schedule of which particular months the group meets needs to be determined.

The JPA Board of Directors/Executive Committee typically meets four times per year with additional subcommittee meetings.

For reference, the Sonoma and Santa Clara LTFs meet six times per year, Solano five, Napa four, and Alameda, San Francisco and San Mateo only on an as-needed basis. Staff would like to point out that a meeting in May can be useful for the LTF to consider the JPA Board/Executive Committees thoughts on the proposed FY 18/19 budget. Following are options to help facilitate scheduling:

**Recommendation**

Adopt a Motion establishing the LTF meeting schedule for 2018.
In recent years, the LTF has utilized subcommittees to focus on particular issues and increase overall LTF effectiveness.

An example of one successful subcommittee was the Extended Producer Responsibility (EPR) subcommittee that supported a recommendation to the JPA Board of Directors (that was adopted by the Board) to provide additional funding for a “sharps and pharmaceuticals” program operated by the County. The support for the proper handling of pharmaceuticals was in place while a more comprehensive industry sponsored EPR program was developed via RxSafe Marin. Another example is the Construction and Demolition (C&D) subcommittee that supported adoption of a Model Ordinance (that was adopted by the JPA Board) that could be used by the member Cities, Towns and County.

Staff recommends that the LTF consider adopting no more than two subcommittees – to provide focus and hopefully be able to build off of success. Staff also recommends the LTF appoint a Chair for each subcommittee to facilitate better conduct of the meetings.

The LTF can select whatever topics it may like for subcommittees – but Staff suggests that good utility could come from:

1. Continuing the good work of the Organics Subcommittee.
2. A very focused Subcommittee on one select issue with a goal of making an actionable recommendation to the JPA Board.

**Recommendation**

Adopt a Motion to establish one or more subcommittees, appoint Members to those subcommittees and appoint a Chair for each subcommittee. LTF Membership in any one subcommittee cannot exceed a quorum of the overall group to comply with the Brown Act.

Re: Election of Local Task Force Chair and Vice Chair

The AB939 Local Task Force (LTF) Procedures state that the LTF shall elect a Chair and Vice-Chair Elections at the first meeting of the calendar year.

The current chair is Jennie Pardi and the Vice Chair is Dee Johnson.

**Recommendation:**

The suggested course of action is to:

1. Accept nominations of candidates and elect an LTF Chair for a term beginning at the end of this meeting and ending upon election of a new LTF Chair for 2019; and then:

2. Accept nomination of candidates and elect an LTF Vice-Chair for a term beginning at the end of this meeting and ending upon election of a new Vice Chair for 2019.
