Kim Scheibly, Marin Sanitary Service
Kathy Wall, Marin HHW

1. Open Time for Public Comment

Ms. Scheibly shared that despite the challenges the National Sword presents, the local haulers and recycling operations have been going well. Vice Chair Goddard requested that the meeting be adjourned in memory and honor of Sally Garbarino.

2. Approval of the May 2, 2018 JPA LTF Action Minutes

Approval of the August 1, 2018 JPA LTF Action Minutes

No action taken for approval of the May 2, 2018 JPA LTF action minutes due to lack of quorum at the time. Item moved to November 7, 2018 meeting.

3. Presentation from Marin HHW Program Coordinator

Kathy Wall from Marin Household Hazardous Waste (HHW) gave a presentation on the role and operations of the HHW facility and its related programs. Information only; no action taken.

4. Reports from LTF Members

Members provided reports on activities. Information only. No action taken.

5. Information Sharing from Attendees from the June 26-29 California Resource Recovery Association (CRRA) Annual Conference

Attendees shared their feedback and takeaways of the CRRA annual conference. Ms. Silver was a speaker at the conference and shared her feedback about the conference, stating that she was pleased that source waste reduction was a topic focus area. Ms. Poldino shared her feedback of the conference, such as the discussions about providing local solutions to the National Sword, and single use packaging reductions. Ms. Scheibly shared her feedback, noting the talks about landfill capacity and the importance of accurate measurement and data collection reports from haulers (volumetric as opposed to tonnage), and the focus on reuse and reduction. Mr. Devine shared his feedback of the conference and expressed like concerns regarding source waste reduction from businesses and residents alike, as well as solutions regarding illegal dumping.

6. Letters Regarding Packaging and Bottle Bill

Mr. Devine commented on Mr. Greenfield's interest at the May 2, 2018 JPA meeting to have the JPA help support local legislation regarding packaging and the Bottle Bill. Mr. Greenfield requested that the JPA draft a letter to state legislators in support of these policy areas. Ms. Garbarino, Ms. Kies, and Ms. Goddard concurred with the idea. Ms. Goddard requested that staff draft the letter, and Mr. Devine shared examples of previously sent letters to state legislation by staff. Mr. Devine also suggested having a representative from Californians Against Waste or a state legislative office attend the next LTF meeting to share their legislative platforms. Information only.

7. Update on LTF Attendance Policy

Ms. Poldino gave an update on the new LTF attendance policy that was presented at the JPA meeting on May 24, 2018 and shared the new language in the policy that was approved by the JPA. Information item only.

8. LTF Attendance Log

Mr. Devine gave an update regarding the LTF seats that are now open for County and Environmental seats. Information item only.

9. Report from Organics Subcommittee

Ms. Scheibly shared information regarding the Organics Subcommittee's involvement with the new short-lived climate pollutants methane reduction bill, SB 1383, and shared information about the bill. She also shared the Subcommittee's interest in having an educational workshop about the bill for local government, haulers, businesses and residents alike. Ms. Silver shared information regarding the Subcommittee's strategy on forming the workshop.

10. Update from Staff on Recent and Ongoing Activities

Mr. Devine gave an update from the May 24, 2018 JPA meeting regarding the JPA Board's decisions about the budget. He noted that the Zero Waste Grant Program forms will be presented for approval at the next Executive Committee meeting on August 23, 2018, and staff would also provide an update to the Board on staff communication with the Office of Emergency Services (OES) regarding Disaster Debris at that meeting.

Fairfax Re: Presentation on SB 1383 by Marshalle Graham from CalRecycle

Larkspur Marshalle Graham is a Senior Environmental Scientist in the Materials Management and Local Assistance Division at CalRecycle.

Following is a brief bio for Marshalle:

Mill Valley *Marshalle Graham has worked for CalRecycle for over 25 years. Working within the Local Assistance and Market Development (LAMD) Branch, she focuses on the implementation of new laws such as mandatory commercial recycling (AB 341) and mandatory commercial organics recycling (AB 1826). Currently she serves on the team implementing Short Lived Climate Pollutants legislation (SB 1383), particularly as it relates to the statewide rulemaking and local implementation. With each of these laws, Marshalle also participates on multiple teams providing related education, outreach and assistance.*

Sausalito About SB 1383:
As it pertains to CalRecycle, SB 1383 establishes targets to achieve a 50 percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2020 and a 75 percent reduction by 2025. The law grants CalRecycle the regulatory authority required to achieve the organic waste disposal reduction targets and establishes an additional target that not less than 20 percent of currently disposed edible food is recovered for human consumption by 2025.

Steve is a Project Lead in the Policy Development and Analysis Office at CalRecycle. Following is a brief bio for Steve:

Larkspur

Steve Sander is the project lead for the AB 901 Recycling and Disposal Reporting System regulations development effort at CalRecycle. He is an environmental policy expert in the Policy Development and Analysis Office of the Department. His research interests include zero waste policy development, environmental justice considerations, sustainable materials management, and marine debris mitigation and removal. The Policy Office coordinates evidence-based policy development across the Department and additionally serves as the Department's primary data analysis branch.

About AB 901:

[Chapter 746, statutes of 2015](#) (Assembly Bill 901, Gordon) was signed by Governor Brown and changes how organics, recyclable material, and solid waste are reported to CalRecycle. Disposal, recycling, and compost facilities, as well as exporters, brokers, and transporters of recyclables or compost will be required to submit information directly to CalRecycle on the types, quantities, and destinations of materials that are disposed of, sold, or transferred inside or outside of the state. CalRecycle also gains enforcement authority to collect this information. Chapter 746, statutes of 2015 (AB 901) was codified in [Public Resources Code section 41821.5](#).

San Rafael

Sausalito

Tiburon

The data acquired by the new regulations will inform CalRecycle's understanding of material flows within the State's recycling infrastructure; allow CalRecycle to better estimate total recycling and composting; and assist CalRecycle to track progress towards several state goals and programs, including the 75 percent recycling goal, mandatory commercial recycling, and organics diversion programs. This information will allow CalRecycle to implement various improvements in areas such as increased responsiveness to changes in the recycling landscape, operational efficiencies, and the targeting of state resources to recycling infrastructure to foster a circular economy.

Re: Establish 2019 LTF Meeting Schedule

Fairfax

The AB 939 Local Task Force (LTF) meets on the first Wednesday of a month from 8:30 a.m. to 10:00 a.m. The schedule of which particular months the group meets needs to be determined. The JPA Board of Directors/Executive Committee typically meets four times per year with additional subcommittee meetings.

Larkspur

Mill Valley

Novato

For reference, the Sonoma and Santa Clara LTFs meet six times per year, Solano five, Napa four, and Alameda, San Francisco and San Mateo only on an as-needed basis.

Ross

Staff would like to point out that a meeting in May can be particularly useful for the LTF to be able to consider the JPA Board/Executive Committees thoughts on the then proposed FY 19/20 budget.
