

# On the Way to Plastic Free!

**Watch two films prior to the event:  
"The Story of Plastic" and "Plastic Wars"**

(links will be provided after registration)

**The Story of Plastic takes a sweeping look at the plastic pollution crisis  
and the worldwide impact on the health of our planet.**

(option for Spanish subtitles)

**Plastic Wars reveals how plastic makers have publicly promoted recycling  
for decades, despite privately expressing doubts that widespread plastic  
recycling would ever be economically viable.**

**DECEMBER 3, 4:00-5:15 PM**

**Hear from local experts:**

**Garen Kazanjian, Recology**

**Eva Holman, Upstream Solutions**

**Martin Bourque, Berkeley Ecology Center**

**With time for Q&A, and discussion on ways to reduce our  
use of plastic.**

**This event is FREE. Register at: [westmarinclimateaction.org](https://westmarinclimateaction.org)**
